Land Trust Budget

- Discussed Trust Funding Projection from this year and previous years.
- School wide goals: 3 goals Math, Language Arts and Behavior
- Used some Trust Land funds for Salary/Benefits for a Teacher \$34,000.00
- School Improvement Plans are located on the Doxey 's Website. All schools have their reports listed.
- Doxey Elementary expense Summary was shown for Trust lands.

Dumpster in front of school

The decision was that we want to keep the dumpster, but a change of location would be helpful. We have two dumpsters, the one in front of the school and one behind the trash dumpster. Can we move it to a different location? Shannon will check to see if the parking lot on the side of the school is owned by city or church.

Branding

Branding of the school name "DOXEY Dragons" to be used as a sense of pride, to increase school spirit. The logo will be on the wall of the school. The school color has moved to the color yellow mostly because we have the house system which includes black, red, green and blue.

Discussing putting values, house symbols and logo on the wall where the constitution signs are on the wall by the office.

Community council members would like to be part of the house system. Brenda will send the descriptions of each of the houses.

Library Committee

The committee helps with the new books coming into the library. They also help if a book is challenged by the community. Mrs. Tweed will send a list of new books and the committee will read the book and go through the process of accepting or declining.

Behavior Expectation Signs

Expectation Signs are being placed around the school. The signs are to help students and adults with the expectations of the school, so they know the values and school expectations. There are signs in different areas such as hallway, lunchroom, prep classes and line expectations and several more. The school is also giving coins to the students and then the students put the coin in their house jar located in their classroom. Hopefully the signs and coins will help with the school values Be Safe, Be Kind, and Be Responsible.

Future meetings

The last Tuesday of the month. The next meeting will be January 31st at 1:15pm. Then we will have a meeting on February 28th

The meeting ended at 2:35pm.
